Thank you Melissa.

Our Sr. Management would like to advertise the move calendar to all Region 7 employees soonest.

I told them I would like for them to hold off on this until our Records Center contractor has responded.

Melissa,

Attached is the latest version of the SOW amendment and the associated calendar.

I think it's safe to say Chenega will be pleasantly surprised at the calendar changes.

We fought hard to give Chenega more days to complete this move.

Please advise if you have any questions or comments by **2pm on Monday, 8/20/12.**

Time is of the essence as this mod should be signed no later than 8/23/12.
